

YOUR WAY

Words and music by Dan Gibson

O_m = B

B
Your way, and my feet will follow

E
Your name, is the only hope

G#m **F#**
Your way, in my times of trouble

B
My old ways, I've left behind me

E
A new day, You've given me

G#m **F#** **E**
Your love, is a shield around me

B
You are the LORD and You make

E
All things new and You break down

G#m **F#**
The walls that hold me back from You

E
Woa-oh Woa-oh Woa-oh

B
It's Your name that we praise

F# **G#m** **E**
It's You that we desire

B
By Your grace now I'm saved

F# **G#m** **E** (F#, G#min, E on last repeat)
It's You that lifts me higher
